

Attention: St. Pius X Parents of Girls, Grades 2-7

As the Girl's Volleyball Director at St. Pius X School, I would like to welcome all new players and parents to the volleyball program and welcome back all current players, coaches, parents and grade level coordinators. As many of you know last year was my first year as Director. I had a big learning curve but could not have made it through without a lot of help from Teresa Schreiber, Lyn Goeke and Jen Meier. I am going to be asking for lots of assistance again this year with our program. It takes many volunteers to help keep the program going. We will also be seeking a new Volleyball League Director this year. If anyone is interested or has any suggestions I would appreciate any assistance in the task for finding a new league director for the 5th and 7th grade leagues. The leagues take place on Monday, Tuesday and Wednesday evenings. Also, I hope to keep the positions of Grade Level Coordinators for each grade to assist with the flow of communication among administration, coaches and parents. I am very appreciative of these individuals volunteering their time and talents to benefit our program. Please contact me at any time if you have any questions or concerns (859) 331-5646 or frisch@zoomtown.com.

Registration

Registration will be held on Wednesday, May 5th for any girl currently in grades 2-7 interested in playing volleyball this fall. Volleyball Representatives will be located inside the gym corridor at the glass entrance from 6:30-8:30pm. Volleyball fees this year are **\$40.00 for grades 4th - 8th and \$20 for 3rd grade players** with a family maximum of **\$100.00** as indicated on the registration form. Checks should be made payable to **St. Pius X Athletic Association**. You may mail your registration and payment directly to me prior to May 5th at 3122 Madonna Drive, Edgewood, KY 41017, if you cannot make the registration date.

Since there has not been a Volleyball Director's meeting I do not have the final details regarding league nights, start and stop dates, or tournaments. When the details have been finalized I will distribute this information and post it on the website. As far as the leagues, the start and stop dates are subject to change but the days of the week have been consistent for the last several years and I do not expect a change but will keep you informed.
